Your legacy. Their futures.

Minnesota's largest and most comprehensive family-focused shelter, **People Serving People** combines emergency housing with programs that help families overcome barriers to stability and return to self-sufficiency.

Our mission is to help homeless and at-risk children and their families manage crisis situations and build a strong foundation for their long-term success.

Your legacy gift helps us build a community in which all children have the stability and support they need to develop their full capacity to thrive.

Help families find their way home.

Your planned gift to **People Serving People** helps families in need access advocacy, early childhood education, K-12 educational services, employment, parent engagement, and family services. Your legacy can help our adult guests move from homelessness to independence and provides opportunities for their children to break the cycle of poverty and homelessness.
